

START

College Initiative Assessment

Meet with our Intake Counselor for a discussion of goals, college readiness, and to create a timeline for next steps.

College Initiative Orientation

Learn about the variety of supports CI offers and gain an understanding of what membership in the CI community entails.

Academic Counseling

Students are assigned to an Academic Counselor who will work with them as they progress through their educational journey.

Enroll in School

Schedule a check-in meeting with your Academic Counselor to get any support you need.

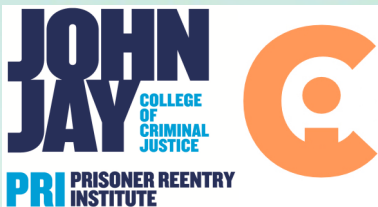

Peer Mentoring

All first-year CI students have the opportunity to be paired up with a CI mentor. A CI mentor provides the student with additional support.

Stay Connected

Stay involved with CI by attending our events:

- CI Workshops
- Graduation
- Alumni Groups

College Initiative Road Map

We work to create pathways from criminal justice involvement to college and beyond and to establish and support communities invested in their own success. For inquiries please contact Jessica Jensen at jejensen@jjay.cuny.edu.
